P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This responds to the Restriction and Election of Species Requirement, dated September 6, 2007. The Examiner has identified the application as containing claims directed to more than one distinct species. The Examiner has required the Applicant to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted. The Examiner believes there are no generic claims.

In response to the Restriction Requirement, Applicant elects **Group II, claims 1-13** for examination. This election is made without traverse.

In response to the Examiner's Election of Species Requirement, Applicant elects **Species II** for examination on which claims 1-13 are readable.

Applicant submits that if any of the elected claims is found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.
